

3D MODEL ONLY

## Nerf Pro Torrent Silly Collet barrel and Rail Shim

AB Quintic

[VIEW IN BROWSER](#)

updated 5. 8. 2024 | published 5. 8. 2024

### Summary

This replaces the front rail and muzzle with a flat top and collet-using front-end.

[Sports & Outdoor](#) > [Outdoor Sports](#)

Tags: [nerf](#) [pro](#) [collet](#) [torrent](#)

This adapts the Silybutts [collet](#) to the Nerf Pro Torrent.

It also optionally eliminates the questionably useful top rail.

It is not listed as a Remix due to the interface not accepting the source URL.
