This is a set of three different simple power cord holders which are fast and easy to print.

[Household](#) > [Other House Equipment](#)

Tags: [holder](#) [cable](#) [cord](#) [attachment](#) [inset](#) [column](#)
[winding](#) [bored](#) [bending](#) [screwed](#)

This set of three different attachments has initially been created as my air conditioning unit didn't have a mount to attach the power cord to. So I created one and also some variations.

This set contains...

- ...a 10mm version
- ...a 15mm version
- ...a bored 15mm version to screw into things

Have fun!

A set of navigation icons typically found in Beamer presentations, including symbols for back, forward, search, and other slide navigation functions.

$\times - \langle \downarrow \otimes \downarrow \otimes \downarrow \otimes \downarrow \otimes \downarrow \otimes \downarrow \rangle^5$
