Summary

War Horn for for cosplay/ summoning your children

[Costumes & Accessories](#) > [Cosplay & Costumes in general](#)

Tags: 

This is a War horn I designed based on the idea of a friend, who was looking for a creative way to summon his kids home for dinner in the evening.

The mouth-piece sorta works.

Apparently the original cut-up model had some issues so I re-sliced it, at the same time I tried to make the pieces smaller. I didn't get errors loading the pieces in cura.
