updated 5. 8. 2024 | published 5. 8. 2024

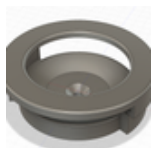

Summary

A holder for the Google Chromecast Audio that fits the Honeycomb wall system.

[Gadgets](#) > [Audio](#)

A holder for the Google Chromecast Audio that fits the Honeycomb wall system. You'll need the front piece from the original design, and 1x of the 'empty insert' to mount to the honeycomb system.

This remix is based on

Google Chromecast Audio wall mount
