### Summary

Lego technic pin to fischertechnik rail adapter

[Toys & Games](#) > [Building Toys](#)

Tags: [lego](#) [converter](#) [fischertechnik](#)

PLA, 0.20mm, 15% lightning infill, no brim, and no support.

The fischertechnik side matches building block pins, links, or spring cams. I probably need to update the Lego pin as it's a bit loose and requires friction nubs. The hole inside also gets filled a bit.
