updated 5. 8. 2024 | published 5. 8. 2024

### Summary

Modified the cap to add 2.5 to the top and a 6x3 magnet to keep the bit in place.

---

[Hobby & Makers](#) > [Tools](#)

---

Super Glue in a 6x3 magnet and use like the original. The 2.5 torque rating is from HarcosDesign 2.5nm rotor remix.

### This remix is based on

**Nozzle torque wrench 2.5Nm**
