Summary

It is a flag holder for simple small flags (6mm diameter) that you can buy in tourist shops.

[Household](#) > [Outdoor & Garden](#)

Tags: [holder](#) [clip](#) [garden](#) [printinplace](#) [easy](#) [screw](#)
[outdoor](#) [flag](#) [easyprint](#) [gardenhose](#) [simple](#) [garten](#)

I made 4 Versions of the holder.

Screwed: You need 2 9mm Screws

Glued: You need glue :) I do not recommend sticker

The models in the stable folder are a lot thicker and bigger.

I think I would print the model in PETG for more stability.
