

Storage trays for pliers

Darrens Workshop

[VIEW IN BROWSER](#)

updated 18. 12. 2021 | published 18. 12. 2021

Summary

A range of storage trays for pliers and scissors designed to fit in the draw of a tool trolley.

[Hobby & Makers](#) > [Tools](#)

Designed to fit a KingChrome tool draw, these modular plier trays can be mixed and matched to fit into other draws too.

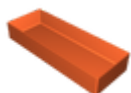

If you need further customisation, I show you how to design your own in this video.
