Summary

I needed a solution so I made one.

[Hobby & Makers](#) > [Organizers](#)

Tags: [box](#) [holder](#) [lid](#) [storage](#)

print in your favorite material, i printed mine at 220C Hot end and 60C bed. Picture of a printed version to come, but I printed mine out of Creality Rainbow PLA.

I designed this box to take a standard 1 screw drawer pull as the lid handle.

this is not the one I used, but this one will work:
