Bottle opener in dinosaur shape. It represents a Triceratops.
I recommend to print the front half of the head with at least 3 perimeters and at least 15% infill density. My tests were all printed with PETG.

Flaschenöffner in Dino Form. Stellt einen Triceratops dar.
Ich empfehle den vorderen Kopf mit mindestens 3 Schichten und mindestens 15% Infill zu drucken. Meine Versuche waren alle mit PETG gedruckt.
