### Summary

Magazine and parts. Would recommend printing in ASA or ABS.

[3D Printers](#) > [Accessories](#)

These are the part to make a 22 WMR magazine. The only other thing that you will need is a spring from a CMMG 25 round 22lr conversion for a AR. Infill on mag is 30 and the other parts are 100 at .2 layer height. The follower has been made to glue a small piece of metal on the protect the follower from the bolt.
