updated 6. 8. 2024 | published 6. 8. 2024

## Summary

A simple model to wall mount vinyls.

[Hobby & Makers](#) > [Music](#)

Tags: [vinyl](#) [vinylholder](#) [records](#) [vinyldisplay](#)

A simple way to wall mount your vinyls. The models can be printed without support. The bottom pieces were printed on the side and the upper piece was printed standing upwards. The upper piece has a slotted hole so it can be lifted up.
