Summary

Get the start order for your golf foursome sorted out with this order of play golf chip

[Sports & Outdoor](#) > [Outdoor Sports](#)

Tags: [golf](#) [chip](#)

Use this chip to organize your golf foursome order of play.

Printer Tips

- SLA Printer - use the embossed model file and print at 0.05mm. Once printed use acrylic paint to fill in text cut out areas.
- FDM Printer - use 0.2mm layer height and 25% infill. For single filament use embossed text model and for multifilament printers use multifilament model.

Change Log

- Version 1 - August of 2024

Support

If you are interested in a well priced SLA printer and want to check out the Anycubic Photon M5s Pro SLA printer (I use this one) or other Anycubic

printers and want to learn more please go to [Anycubic Store](#). For \$25 off use this CPMTPFIZJP coupon code at the Anycubic Store.
