Simple yet strong hook, perfect for hanging clothes, towels, bags, and more. The beveled edges are optimized for a great first-print result and to ensure they won't damage fabrics.

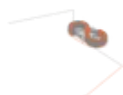

If you'd like to support my work, leaving a ♥ **like** ♥ or even **buying me a coffee** ☕ goes a long way. I love creating and sharing my designs, but my Mk2.5s is getting old, and every bit of support helps.
