Totoro is a character from [My Neighbor Totoro](#), a lovely movie from Studio Ghibli. This pen holder was designed on Nomad Sculpt and features a funny big-mouthed Totoro inspired in this scene from the movie:

Preview Printing Advice

This is a simple print that shouldn't require supports.

I printed these in PLA without supports or brim, at 0.20mm (speed) and with 15% infill. It took approximately 3 and a half hours on the Prusa MK4.
