Summary

This design was inspired by the Glock 19X. I hope to bring more details and additions to this design, stay tuned.

NEW pistol available - <https://www.printables.com/model/1256349-dummy-13-pistol-mk1-v1>

Glock Project V1 is hopefully the first of many more mods available for this design, The Pistol takes influence from the Glock model handgun(s) specifically the Glock 19X, with TLR-7 light attachment. I hope this is a welcomed addition to everyone's collection.
